## PROFESSIONAL EXPERIENCE

---

**Independent Contractor – Carpenter;** Portland, ME/ Toronto, ON 2017-2018,2020—Present  
Participated in residential and commercial construction including framing and finish carpentry, drywall, and painting. Planned and completed projects by creating estimates, determining necessary equipment, time, materials and invoices. Strong attention to detail and client service skills demonstrated working with clients during finish carpentry, interior design, and furniture staging.

**Production Assistant – CBC, Blue Ant Media, CNN, Netflix;** Toronto, ON 2016, 2018—2020  
Assisted production and location service on film and television shoots including “ See No Evil (season 7)”, “Race for the Whitehouse”, “Fear City”, “Canada: The Story of Us”, music video for “Mercy” by Sean Mendez and commercials for “Mountain Dew”, “Dragons Den”. Responsible for transporting valuable equipment, cash, cast and crew to and from location using company vehicle.

**Lead Grower/Production Manager – Medical Marijuana Startup;** Portland, ME 2016—2017  
Managed a commercial startup medical marijuana facility including overseeing product development, tending to 2,000+ plants, and supervising multiple employees. Promoted from “Garden Assistant” to “Lead Grower” in 3 months, doubled production output within 6 months, increased revenue by approximately \$70,000 per month. Developed management skills while responsible for hiring, training and terminations.

**Surf Instructor – Aquaholics;** Kennebunk, ME 2015  
Taught private, semi-private, group and day camp surf lessons to all ages. Responsibilities in the shop included booking lessons, scheduling instructors, performing sales, receiving inventory shipments and assisting with visual merchandising. Teamwork and interpersonal skills strengthened while working teaching clients of all ages and abilities in challenging and dynamic environments.

**Junior Quality Assurance Analyst – GreenSaver;** Toronto, ON 2013-2014  
Used strong attention to detail to ensure all quality and accuracy standards were met while processing data collected by audit clerks from home inspections. Approved and ordered upgrades of home appliances for eligible customers.

**Energy Audit Clerk – GreenSaver;** Toronto, ON 2013  
Developed strong customer service skills performing home energy audits for GreenSaver customers, collecting energy usage data on home appliance. Installed energy efficient lighting, pipe insulation, as-well-as, education clients on household energy efficiency.
